

## CHECKING OUT A LIBRARY BOOK

\*Go into ClassLink on your iPad.

\*Click on the Follett Destiny Discover app (the blue light bulb)

\*Click on Log In at the top of the page.

\*Use your PowerSchool username and password to log in. Your username will be your first initial, your middle initial and your last name. Do not use your email address. The password starts with acsd or augs and then the number. This will get you into our school library system where you can search for books multiple ways.

\*Ways to look for books:

~ Click in the Search bar and type in the title of a specific book or category of book you want to look for, i.e. football, horses or Fly Guy.

~ You can also click on a category in Topics or Popular Titles.

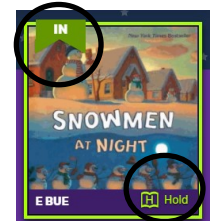

If you want to find out more about a book, click on it and tap "More Details"

\*To check a book out, look for a book that says **IN** in green and click on "HOLD". This will reserve the book so no one else can check it out. If it says **OUT** in red, the book is not available.

Remote Learners can check out up to 5 books and will keep their books until the next materials pickup.

Hybrid learners can check out 2 books on a weekly basis.

Check out and returns will be handled through the classroom.

### BOOK HUB

If you would like me to pick books out for you, please use the Book Hub link at the top of the Destiny Discover page. Click on the link for your grade level K-2 or 3-5.

Any BookHub book requests placed now can be picked up on the January Materials Pick Up Date.

**Place books on hold in Destiny Discover or use our K-5 BookHub Request Forms (links below) to request your favorite themes. We'll do our best to deliver them at the next materials pick-up day.**

**K-2 3-5**

Be sure to return your library books so you can check out new ones. You can't check out new books until your current ones are returned.

**HAPPY READING!**
