

# W C Petty Elementary Music E- Learning

jschaibly@antioch34.com

## Welcome back! Here's what you need for the fall!

Students are expected to attend live class and complete other classwork. Participation is expected, which may include singing, movement, recorder playing, and other musical activities. All meetings will be through Zoom.

First month may be a full 30 minutes of live class to create a class community. If you are in K-2 grades you will be using Seesaw and 3-5 will be using Google Classroom.

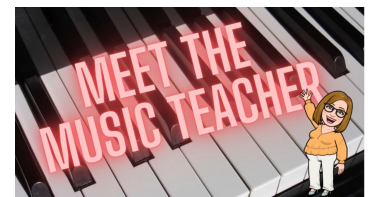

**Supplies**  
**Recorders**  
**Grades 3-5 (Beginning**  
**September 14)**  
**Circle Charts - found in**  
**material pick up**

General Music instruction in District 34 includes experiencing music through singing, movement, and playing instruments. Learning targets revolve around the musical elements of Melody, Rhythm, Harmony, Improvisation, Form, and Expressive Elements. Our curriculum is structured around the Illinois Art Learning Standards of creating, performing, responding to musical excerpts, and connecting personal and real life experiences to music.

Thank you for incredible support during this time. Together we will have a great school year.

- Mrs. Schaibly
