Inspiring personal excellence.

Dr. Jay Marino, Superintendent

Dear Families:

The 2019-2020 school year is fast approaching and we are thrilled to welcome you! Throughout the year, we will have opportunities to work together as a team to support your child(ren) as learners. It is our mission to inspire a passion for learning that empowers all students to achieve personal excellence.

The Antioch District #34 faculty is steadfast in our commitment to continuous improvement. We have high expectations for academic, social, emotional, and behavioral growth. We believe students learn in different ways and at different rates. It is our responsibility to guide students towards self-sufficiency, ownership, responsibility and accountability for their own learning. We believe in providing a safe and secure environment in order to foster a community of collaborative learners. We value continuous improvement through teamwork, collaboration and shared leadership.

Together, as an educational community, we will ensure that our schools remain a great place for learning. If there is anything that we can do to help your child(ren) have a successful school year, please don't hesitate to contact us at our respective schools.
