*Inspiring personal excellence.*

**Dr. Bradford Hubbard, Superintendent**

May 2, 2022

Team 34,

As you certainly know by now, I am not often at a loss for words...especially in written format. Well, as I type on this keyboard, I seem to be struggling with finding the best and right ones for this communication...

After much deliberation and with an indescribable mix of emotions, I want to let you know that I have submitted a letter of resignation to the Antioch CCSD 34 Board of Education. At the end of June, my service as your superintendent will come to an end.

I cannot begin to explain how grateful I am to have been afforded an opportunity to serve with each one of you. I believe in you, I am proud of you, and I am inspired by how incredible and impactful you are. I believe strongly in what we have collectively done, decided, and accomplished on behalf of our amazing students. I believe in and am so proud of them, as well.

Being trusted to sit in this seat over the course of the last two years is the biggest honor of my professional life. During an unspeakably challenging, difficult, and uncertain time, we partnered to do what was best and right for, with, and on behalf of our students and community. The work and decisions have been humbling and I could not have done any of this without you, your passion, your dedication, and your unimaginably big hearts.

I want to thank the staff for this opportunity to partner, I am deeply grateful to the Board for the chance to lead, and I would like to thank my wife, Kelly, and daughters, Calla and Bryn, for the permission, love, and unconditional support to do what I needed to best and responsively serve the students, staff, families, and community of Antioch CCSD 34.

Keep up the amazing work. Keep hope, gratitude, and grace in your hearts. And, keep on knowing You'll Never Walk Alone.

Immensely Grateful,

Brad
