

# **Antioch District 34**

**MTSS Academic Intervention Pilot Update**

**Teaching and Learning Plan on a Page Goal 3**

# **MTSS Academic Intervention Materials**

**Overview, Pilot: January-April**

## LEXIA CORE 5 - New

- ◆ App-based intervention program with Lexia Lessons for teachers to target specific skills
- ◆ Grades K-5
- ◆ Each level contains skills in five of the six components of reading:

1. Phonological Awareness    4. Automaticity/Fluency

2. Phonics

5.

Vocabulary

3. Structural Analysis

6. Comprehension

## LEXIA POWER-UP - New

- ◆ App-based intervention program for grades 6-8. Teachers are able to view student data reports in myLexia which allow teachers to provide targeted instruction to students using Lexia Lessons, and provide additional practice through Lexia Skill Builders.
- ◆ 3 strands: grammar, word study, and comprehension are each leveled for students to individually focus on learning gaps.
  - ◆ Mastery of these strands will improve student proficiency and independence in reading and understanding complex, authentic texts.

# READING HORIZONS - New

---

- ◆ **An explicit, systematic, sequential and multisensory phonics instruction program**
- ◆ **Grades K-5**
- ◆ **An emphasis on phonics**

# **SUNDANCE - Replacement**
