School Board Members Day • November 15, 2021

November 15, 2021

Dear Antioch CCSD 34 Students, Staff, and Families,

Today is School Board Members Day. It is a day to recognize, honor, and demonstrate appreciation for those that volunteer their time in helping to create the best possible conditions for teaching and learning. Across the state of Illinois, nearly 6000 individuals give of their time, expertise, and voice in providing critical governance, unwavering support, and impactful guidance to 850 school districts.

Each year, the Illinois Association of School Boards offers a theme for the celebration of our local school board members. This year they selected, "Inspiration and Leadership." These two words certainly apply to and come to mind when thinking about our Board of Education and their collective work.

In Antioch CCSD 34, we are fortunate to have a Board of Education that places students at the heart of their decisions and acknowledges the profound importance of our entire staff in their work with, for, and alongside our students and families. They embody and epitomize the very best of public service. They give of themselves and contribute to the care, growth, advancement, and achievement of our most precious resource, our community's kids. The Antioch CCSD 34 Board of Education dreams big, believes in the potential of all of our students, demonstrates a deep trust in our amazing staff, and works every day to improve the experiences, access, opportunities, and outcomes for our students.

Please join me in thanking our Antioch CCSD 34 Board of Education members, today and always. Their service, inspiration, and leadership are greatly appreciated and deeply impactful.

Grateful,

Dr. Bradford Hubbard
Superintendent
