Dr. Bradford Hubbard, Superintendent

September 27, 2021

Antioch CCSD 34 Families,

At approximately 11:59 a.m., we were notified by the Antioch Police Department that they needed to access our grounds around AUGS and WC Petty in response to a motor vehicle accident on Route 173. They were on scene for approximately 20 minutes and left our property at 12:24 p.m.

As soon as we received the initial call, we brought all of our Antioch Upper Grade School and WC Petty students indoors, providing full access to our grounds for our first responders and emergency vehicles. Information posted online indicated that a Flight For Life helicopter was scheduled to land outside of AUGS. That did not occur, however, that information may not have been updated at the time of this communication.

We have given an all clear to AUGS and WC Petty staff and students will be able access our outdoor facilities shortly.

If you have any questions, please contact a building administrator.

Sincerely,

Dr. Bradford Hubbard  
Superintendent
