

July 6, 2022

Dear Friends of Antioch CCSD 34,

I am honored and humbled to serve as the new superintendent of Antioch CCSD 34. It is a tremendous responsibility to lead the district as we plan for the future of our students and community. I take this responsibility seriously and will execute my position with energy, integrity, and commitment. Together, we will build upon the great things already happening to create a district that prepares students for a successful future.

My superintendent entry plan includes goals to allocate critical time and attention to collecting, analyzing, and synthesizing information from stakeholders within and outside the school district. During this first step in our journey, I will spend time listening and building relationships with the district's stakeholders. Through these conversations, I will learn about your values, expectations, and aspirations to determine the strengths and challenges within our district to create a better educational experience for our children.

As I enter the district, I will use my leadership skills to learn about the culture, systems, processes, and people in order to make wise choices for lasting initiatives. I will seek input from my colleagues and community to engage them and build a cohesive team to face the challenges of the future. Collaboratively, we will create a strategic plan for a better school district.

The greatest blessing we have are our children. We work with America's future in our classrooms every day; therefore, the school board and I will work diligently to provide opportunities for our children. Thank you for allowing me the honor to serve as your superintendent and to be a part of the Antioch CCSD 34 family!

Yours truly in education,

Mr. Aron Borowiak, Ed.S.  
Superintendent  
Antioch CCSD 34
