Antioch CCSD 34 Families,

This week, the U.S. Food and Drug Administration (FDA) and Centers for Disease Control and Prevention (CDC) approved the emergency use of the Pfizer COVID-19 vaccination to be administered to all individuals 12 years of age and older. This communication is focused on providing the vaccine information we have been provided and multiple options for receiving the vaccine.

Antioch CCSD 34 has worked with Community High School District 117, other CHSD117 feeder districts, and Jewel Osco to provide a vaccination opportunity at Antioch Community High School on May 27 (Dose 1) and June 17 (Dose 2) from 3-7 p.m. for all students age 12 and older. The following links have information specific to this opportunity:

In addition to the vaccination clinic being hosted at Antioch Community High School, the Lake County Health Department (LCHD) has vaccination options for all individuals 12 years of age and older. LCHD's most recent press bulletin, information, links, and contact information can be found by visiting this link:

Additional vaccine information can be found using the following links:

Please stay safe, well, and healthy.
