

Good afternoon AUGS families,

We hope that you are doing well during the COVID-19 crisis. Your AUGS staff and admin team have been working hard to make sure we are ready for Remote Learning, which begins Monday, March 30. Here are a couple of things you can do for your student to make them successful-

1. Start a routine of checking teacher websites by 9:00am. This will let the student know what to expect each day! The websites may direct you to Google Classroom, OTUS or another platform for learning. If you have questions, please email the teacher directly. The work that is assigned can be completed on your own time frame but remember that teachers will be available during the school day (7:30-2:45) to answer any questions.
2. Grading- Teachers will provide feedback to students about the progress they are making on the assigned material. Assignments can only increase students' academic standing. An "incomplete" will be given for assignments that are not turned in or do not meet the criteria of the assignment. When possible, the student will have the opportunity to make-up any assignment marked incomplete. Students are working for feedback on their understanding of the material.
3. Attendance- we will continue attendance throughout Remote Learning. It will be important that you fill out the form sent to you each day (be on the lookout for that by 9am each day). Please ask your student who his/her 1st hour teacher is as you will need that information. Please also call in if your child is sick, so we can note illnesses still. (attendance hotline: 847-838-8181). We ask that you fill out the form by 12:00pm. (Attendance is subject to change with guidelines from ISBE)
4. AUGS Admin have started a Google Classroom site for the students. These are for information only-not homework support. Your students have already been logging on and asking great questions!
5. Next week is Spirit Week Home Edition! Send photos to Ms. Salata at [jsalata@antioch34.com](mailto:jsalata@antioch34.com) showing your participation...YES, parents- feel free to join the fun!
