Dear Parents/Guardians:

Parent/Teacher Conferences are scheduled for Tuesday, November 17th, from 2:15-7:15 PM and Thursday, November 19th, from 8:30 AM-7:30 PM. We are using **SignUpGenius** to schedule conferences. **SignUpGenius** will give you the required **Zoom** information to attend your student's conference.

Please use the links below to sign up for a conference. All conferences are team conferences. All of your student's core teachers will be in the conference. PE/Health teachers will attend based on their availability. You can also sign up for a conference with your student's Encore teachers.

The SignUpGenius website requires you to have internet access and an email address. These instructions will also be sent to you via email if the school has a current address on file.

Online Sign-Up Directions:

After you click the link below, and pick a date/time you will need to click "Submit and Sign Up" at the bottom of the screen. In the next screen you will need to enter your student's first and last name, your first and last name, your email address and phone number. Then click on "Sign Up Now" at the bottom of the screen. You will receive a confirmation email immediately, and a reminder email 2 days prior to your conference.

We are asking families to attend only one day and select one slot per child as we want to give all families the opportunity to attend. **Sign-ups will be closed on Thursday November 19th.** However, you may delete your appointment the day of, if need be.

You will need the Zoom application on the device you are using for the parent teacher conference. Zoom is a free application that works on both iOS and Android devices.

If you do not have internet access, more than one student on the same grade level/team, or if parents are unable to attend the same appointment, please contact Peggy Kudingo at (847) 838-8361 to schedule an appointment. **If you are unable to attend conferences on November 17th or November 19th, or if you need more than 10 minutes for a conference, please contact your child's teachers to discuss an alternate time and date.**

We are looking forward to servicing as many families as possible through this format. Thank you for taking an active role in your child's education!

Sincerely,

AUGS Administration
