

Pair Names: _____ Teacher: _____

December Reading Incentive

Kindness Book Challenge

For the month of December, students will have the opportunity to read books about kindness with a partner from another grade. If you are interested in this activity, your classroom teacher will work with other classroom teachers to pair you with a student from another grade (5th grade read with 3rd grade; 4th grade read with 2nd grade).

Books featuring the "kindness" theme will be available in the library. Student pairs will come to the library with their partner during a specified time (set by the classroom teachers) to read with their partner. As part of the reading incentive, pairs will discuss the book, write a paragraph about how that book portrays kindness, and design their own cover for the book. Book covers and paragraphs are due to Mrs. Bernard no later than Thursday, December 20th.

Extra bonus: Students may record a short video with their partner about the book and how it portrays kindness. These videos might be shared with the school at the next POW WOW!
